

Karstens

Sydney Venue Guide

Karstens Conference Centre offers one of the best locations in the CBD of Sydney, located in the iconic Quay West Apartment building, less than a 5-minute walk from Wynyard and Circular Quay Stations. Formerly the headquarters of Barclay's Bank, Karstens has transformed this space into a truly executive training centre. Parking is available in our building through Wilson Carparking.

The facility offers views of the Sydney Opera House and Circular Quay Ferry Wharf with a multitude of comfortable break-out areas to unwind and relax during event breaks. The Four Seasons and Shangri La Hotels are just across the road.
